2.6 Review and Disclosure Procedures on the RRPTs and Thresholds of Authority

Adventa Group has established various procedures to ensure that RRPTs are undertaken at arm's length basis and on normal commercial terms which are consistent with the Adventa Group's normal business practices and policies, on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The review and disclosure procedures with regard to the RRPTs are as follows:-

- (a) Adventa Group will be notified of the Related Parties and will be required prior to entering into such transactions to ensure that all the RRPTs are consistent with the Adventa Group's normal business practices and policies which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders;
- (b) The Board and/or the Audit Committee shall review the internal audit reports which are normally conducted at least once a year to ascertain that the guidelines and procedures established to monitor RRPTs have been complied with;
- (c) Records will be maintained by the Adventa Group to capture all RRPTs which are entered into pursuant to the shareholders' mandate;
- (d) The Board and the Audit Committee shall have overall responsibility for the determination of the review procedures including addition of new review procedures where applicable. The Board and the Audit Committee may also appoint individuals and committees within the Adventa Group to examine the RRPTs as they deem appropriate. If a member of the Board or the Audit Committee has an interest, he will abstain from any deliberation and decision-making by the Board and/or the Audit Committee in respect of the said transaction; and
- (e) Disclosure will be made in the Annual Report of the aggregate value of RRPTs conducted pursuant to the shareholders' mandate during the financial year.

As for the thresholds authority, Adventa Group has in placed internal charts of authority governing all business transactions. Since the RRPTs are conducted in the ordinary course of business, these are also covered under the charts of authority as there is no specific formal document in respect of thresholds authority for RRPTs.

Where practical and/or feasible, at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison for determining the price and terms offered to/by the Related Parties are fair and reasonable as compared with those offered to/by unrelated third parties. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined based on those offered to/by other unrelated parties for substantially similar types of transactions to ensure that the RRPTs are not detrimental to Adventa Group.

2.7 Statement by Audit Committee

The Audit Committee of the Company has seen and reviewed the procedures set out in Section 2.6 above and is of the view that the review procedures for RRPTs are sufficient to ensure that the RRPTs will be entered into at arm's length and in accordance with the Group's normal commercial terms, and on terms which are not more favourable to the Related Parties than those generally available to the public, and hence, will not be detrimental to the minority shareholders. Any member of the Audit Committee who is interested in any RRPT shall not be involved in the review of the RRPT.

The Audit Committee is satisfied that the Group has in placed adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner, and the review of these procedures and processes are conducted on an annual basis or whenever the need arises.

3.0 RATIONALE AND BENEFITS OF THE PROPOSED RRPT MANDATE

The rationale for and benefits of the Proposed RRPT Mandate to the Adventa Group are as follows:-

- (a) The Proposed RRPT Mandate will facilitate transactions with the Related Parties which are carried out in the ordinary course of business of Adventa Group and are made on an arm's length basis and on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and not in the Company's opinion detrimental to the minority shareholders;
- (b) The Proposed RRPT Mandate will enhance Adventa Group's ability to pursue business opportunities which may be time sensitive in nature and it may not be practical to seek shareholders' approval on a case-by-case basis before entering into such transactions;
- (c) The Proposed RRPT Mandate will eliminate the need to make regular announcements or convene separate general meetings from time to time to seek shareholders' mandate approval, thereby reducing the administrative time and cost in convening such meetings without compromising the corporate objectives and adversely affecting the business opportunities available to Adventa Group.
